

OUTDOOR LIGHTING

Luce e materia si fondono in elementi decorativi di spiccata raffinatezza.

Da ogni elemento della collezione traspare un' anima classica resa moderna da dettagli e materiali sapientemente lavorati a mano. Lampade da terra, sospensioni e applique che al crepuscolo accendono gli ambienti con eleganti vibrazioni, giochi di luce e riflessi per un effetto scenografico armonioso e di impatto.

Una collezione che completa e valorizza la proposta di arredo con finiture inusuali e scelte stilistiche ricercate.

*Light and matter come together in highly refined decorative elements.*

*Every element in the collection reveals a classic soul given a modern look by skilfully handcrafted details and materials. Floor lamps, suspension lamps, and wall lamps that light up rooms at dusk with elegant shimmers, plays of light, and reflections to create a harmonious and impactful scenic effect.*

*A collection that complements and enhances the furnishing range with unusual finishes and refined stylistic choices.*
