Designed by Marcantonio, Giraffe in Love M Indoor is a 2.65 meters high giraffe lamp. It represents irony and lightness. The giraffe is in love but she doesn't know it yet because her heart is far from her head and she lives love light-heartedly.

In the occasion of the collaboration with Campari Soda it has been revisited and it is now holding a chandelier made with Campari Soda iconic bottles. Bold and elegant, she is naturally the centre of attention of any location.
