Technical Information
on p. 10

The shining white glossy finish is made glamorous by wave shaped alluminim handles and base skirts in brushed champagne finish.

Available with double 6-drawer or single 3-drawer dresser.
Decorated Venetian glass backlit headboard with matching refined fabric headrest.
Two sides dimmerable light controls.

Night table, tall boy and dresser tops are 30mm thick with soft, smooth edges.
The insides of drawers are covered with anti scratch material.
All drawers run on soft closing guides.

The headboard without the padded cushion enhances the shining whiteness of the bedroom.
The "diffused light effect" reverberates through a 10 mm thick glass panel brushed with gold powder.

Mini (60cm wide) or maxi (75 cm wide) night tables to furnish different bedroom sizes.
Wardrobes are modular and offer different sizes and solutions (see our pricelist for details).
