

# **BONALDO**

## Bonnie

The versatile Bonnie stool stands out thanks to its casual image which is both classic and essential at the same time. Ergonomic and welcoming in shape, the sturdy polypropylene shell guarantees comfort and considerable resistance to wear and tear at the same time. The single

central metal support base with integrated footrest is equipped with a precise swivel movement and is adjustable in height. The Bonnie design plastic bar stool is also ideal for places intended for collective use such as bars and hotels.
