A new bedroom in our exclusive Venetian Grey finish.

The light and dark grey shades of the pattern create a matching elegant contrast with the trapezium shaped handles in brushed aluminium finish.

Simple, elegant headboard where the horizontal and vertical movements of the pattern is enhanced by the different panel thicknesses and the LED horizontal dimmer light.

Modular wardrobes with variety of optional accessories to be utilized internally.

The tops of night tables, dressers and tall boys are 30mm thick with soft, smooth edges and the drawer insides are covered with anti-scratch material.

Kroma is also available in our best selling Silver Birch finish. Sliding and standard modular wardrobes are available in Silver Birch collection (see our pricelist for details).
