## Panorama New

Designer: **Fabrice Berrux**

Panorama New is a modular sectional sofa capable of creating an unprecedented domestic landscape, offering spaces for meeting, islands of comfort and genuine refuges in which to abandon yourself in complete freedom. Its geometry stimulates the combination of different elements, transforming the living area into the warmest and most welcoming of environments. The Panorama New sofa collection is based on a particular element that can be

considered the system's real unit of measurement: the hexagonal shaped pouf which, with armrests and backrest, becomes an armchair and which in turn can be combined with other armchairs and sofas to obtain the most diverse configurations. As such it represents the maximum expression of personalisation and creativity. The cover, in fabric or leather, is completely removable and features a special quilting pattern on the armrests and backrest.
