COLLECTION

Passepartout è un'insieme di complementi pronti all'uso in metallo, un segno preciso dallo spessore di 1 cm che contorna come il passepartout di un quadro. L'unione dei pezzi è precisa, senza saldature a vista e anche il piano è tutto contornato dallo spessore. Geometria pura e qualità assoluta, design minimale in molteplici forme e funzioni.

Passepartout is a set of metal accessories ready for use, a precise mark with a 1cm thickness that surrounds like the passepartout of a painting. The union of the pieces is precise and also the level has the thickness. It is pure geometry and absolute quality, minimal design in multiple forms and functions.
