ARREDO ITALIANO

The Denali bedroom features a distinctive design characterized by contemporary shapes and clean lines.

This modern space radiates a sense of serenity and sophistication, turning every moment spent within it into a unique experience.

Refined details with a timeless elegance.

The solid wood frame of the headboard is enhanced by the softly rounded top padding. Attention to small details, such as the craftsmanship of the vertical stitching, creates an inviting and sophisticated ambiance in the bedroom.

The wave-shaped handles in satin champagne finish, add an exquisite touch of Italy to the space. Their gentle, rounded contours infuse the room with a sense of delicacy, design, and distinct personality.

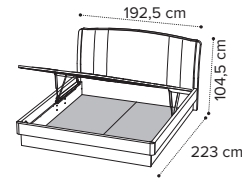

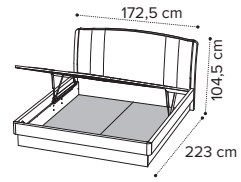

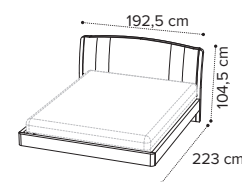

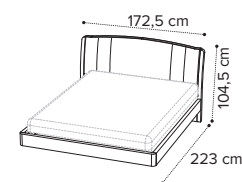

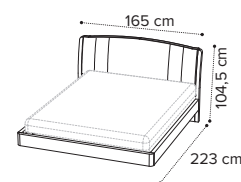

The iconic Silver Birch finish by Camelgroup beautifully enhances the Denali bedroom with a sense of elegance and timeless style.
