

# BONALDO

## Big Table

Designer: **Alain Gilles**

The inclination of the legs evokes dynamism, the linearity of the top bestows great visual stability. Whether stationary or in motion, the Big Table has a decidedly unusual personality. The Big Table's legs are in laser-cut steel in different sizes and geometric shapes, painted in numerous combinations of colours. The top, fixed or extending, is available in veneered or solid wood, ceramic or marble. A single-material version in

hand-spatulated clay in different colours enriches the collection. Adaptable, sculptural, a reliable central feature in traditional or more contemporary contexts thanks to the numerous possibilities of personalisation, the Big Table has become the icon of Bonaldo style. For this reason, to celebrate 10 years since the launch of Big Table, a Special Edition was created in 2019 in Saint Denis marble.
