Lucie Jirku / Designer

For the Art of Living...

You are just opening a wide-range collection of wallcoverings, which will for sure impress and fascinate you for its nature and sophisticated elegance. The collection INSPIRA has been created with deep respect for nature and designed based on nature's absolute beauty, colors and shapes. INSPIRA emphasizes special focus on refined simplicity, harmony of colors and distinctive decorative character in every wallpaper pattern's detail. The dominant elements and strengths of this collection are based on a passion for delicate geometry which gently transforms into decorative ornament.

With a variety of colors and contemporary patterns available, wall treatments can add depth, dimension and personality to your space.

INSPIRA was designed by Lucie Jirku from Studio CODECO, located in Prague. Lucie is a Creative Designer and a Fine Artist. In 2007, she graduated with a Master's Degree from the Academy of Arts, Architecture and Design in Prague and also had the opportunity to enhance her expertise at the University of Southampton in Great Britain.
