

# BONALDO

## Bahia too

Designer: **Mauro Lipparini**

The Bahia too stool with backrest is the result of the combination of curved shapes and simple tubular metal elements, giving as a result an extremely balanced aesthetic. Available with swivel or fixed base, Bahia too is the ideal stool

for furnishing both residential and contract spaces. The curved backrest allows free support of the arms and generously wraps the back. Bahia too is covered in fabric, eco-leather or leather.
