Cubic meters: 0,12 m³

Weight: 35.00 Kg

Volumetric Weight: 24,00

Coming from a research by Studio Nucleo on Stone Fossils, Carpet Studio Nucleo Green Onyx (3x4mt) is the perfect support to the Primitive's family sofas and armchair, thanks to their chromatic coordination. They have been created for the contrast and can boast very important characteristics such as: fireproof, easy to clean, great colour resistance when exposed to light, great resistance when stepping on it and good dimensional stability.
