ITALIER

“ACCADEMIA”: a collection that perfectly combines the warmth of Oak wood, the shaped lacquered glass surfaces of the tops and the reflective surfaces of the handles.

A dark wood dining table with a geometric pattern, surrounded by light-colored upholstered chairs. The table is set with glassware and plates.

A contemporary pendant light fixture with three circular shades hanging above the table.

A dark wood sideboard or console table with a vase on top.

A tall, black, modern shelving unit with multiple levels and a decorative top.

Two potted plants in tall, dark blue pots, one with green foliage and the other with a smaller plant.

A patterned rug with a blue and gold floral design, placed under the dining table and chairs.

“ACCADEMIA” is captivating, owing to the attention to detail, such as the contrasting finish interiors or the particular shape of the padded armchairs.

The dining room display cabinet conceals highly practical solutions in its stylish design.

The TV unit is fitted with roomy drawers and a large compartment with a flap to organise your entertainment space in the best possible way.

*The shape of the drawers is the epitome of design and functionality.
“Golden” glass surfaces suggest everyday gestures.*

The console opens like a treasure chest. Compartments, lights and mirrors turn the bedroom into a special place.
